Miss DeKalb Tech 1972

MISS BEVERLY HORNE

Miss Mnemosyne

Miss Sharon Floyd was chosen to represent our 1972 Annual by a panel of judges consisting of students and faculty, who were chosen by the Student Government. She was chosen for her attitude, personal appearance and personality.

Miss Floyd is a graduate of Berkmar High School. Upon graduating from DeKalb Tech, she plans to go to work in her chosen field of Accounting.

We are proud to have Sharon as Miss Mnemosyne, Greek Goddess of Memory, this school year.

The first grade class from Woodward Elementary School in Dekalb County, visited Dekalb Tech on a field trip.They toured the Commercial Art Department where they painted their interpretation of Thanksgiving. The Chemical Technology Department where they had a magic show, the Data Processing Department where they talked to the computers and the Child Development Department for games and refreshments.

November

Students in the trade and technical areas take various field trips throughout the year: to business firms in industry for an inside look at their chosen vocation. Some programs offer on the job training at these places in industry after theory and practice in the classroom.

MR. TRAVIS WEATHERLY
DIRECTOR

Dear Students,

Although it would have been pleasant to have known each one of you personally this school year, I have still been concerned that you find a place of welcome in your program and in the school. One of our greater assets, I am often told, is that we have a faculty and staff who care about the individual student. My hope is that you have received assistance from your program of study which will enable you to fulfill your objectives. Also, I hope that your educational interest have been stimulated and your learning progress will continue.

Mr. Robert Kilpatrick
Coordinator, Post Secondary Education

Mr. Glen Erickson
Assistant Coordinator, Post Secondary Education

Mrs. Rose Ann Mullinax, Special Education

Mr. Aubrey Meaders

Mr. Jim Cherry
